

FILMING PROJECTS WITH THE EAST SUSSEX CAREERS HUB

And how you can help

OPEN DOORS

Open Doors, the workplace visit project is going digital!

- One team member visits you
- Tour of your workplace, Q&A, and we work together to design a task
- Shot on mobile phones
- For use in schools, Years 7 - 13
- 10 - 15 minute long video
- One to two hours of your day

VIRTUAL WORKPLACE EXPERIENCE

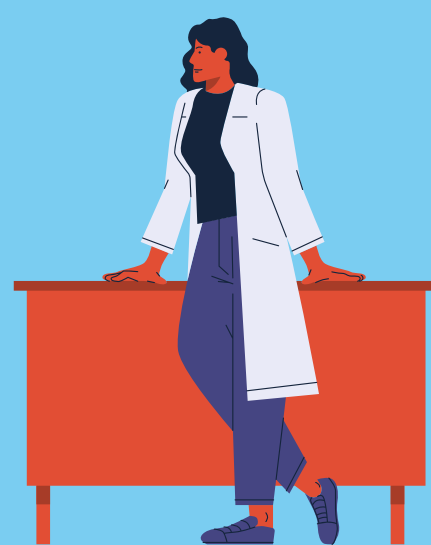

Help create a series of short videos to go more in depth within your sector

- Introduction to the business, tour of workplace, health and safety, introduction to employees, employer expectations and an insight in to a task or process
- Videos shot and edited by the hub team.
- Employees giving an insight in to their job role
- A task set relevant to your business for students to complete and receive feedback on.

ADULTS CAREERS CAMPAIGN

Help share your sector with adults looking for a new career path

- Share real information about the roles in your business
- To go onto our Careers East Sussex Adult pages for information

HAVE ANOTHER IDEA?

Would you like to make your own videos that don't fit into the above? Here are some more ideas:

- Make a 15 minute video on your career journey
- Do a webinar series on a specific part of your sector to be used in lessons
- create a social media buzz with 1 minute videos on twitter and Instagram
- Any other ideas we would love to hear from you
